

Things That Went Well:

- Got mockup done for presentation, seeing all the parts come together
- Good teamwork :)
- Didn't leave things until the last minute

Things we learned:

- Resolving merge conflicts
- Setting up & using XAMPP
- MySQL & PHP skill improvements
- Session IDs and state management in PHP

Things We Lacked:

- Time (midterms, extracurriculars; prioritization)
- Keeping track w/ github projects, merging PRs on time

Things For Which We Longed:

- Prompt merges
- More time
- Getting more work done
- Scope
- Foresight
