

- Updates
 - Christian: working on item info; styling, markup good, JS not done; predicts will be done by EOD, PR latest ~7:30
 - Billy: using PHP to work on setting up log-in system, blocking users from pages if they aren't logged in; code works, probably not demo-able; wants us to change file structure to help with XAMPP
 - Catherine: has PR with JS for Borrowing History page, needs to be merged
 - Kellie: wrote a query, wrote notes for presenting DB schema and worked on slides
- Midterm tmw
 - Want to pull updates to VM
 - Slides done
- For future
 - File structure reappraisal
