

Miranda is at a conference, Heman couldn't make it to the meeting

Things completed last week:

- Backend
 - Kellie started writing her queries, should be done by next Thurs.
 - Billy added to sprint backlog & wrote some queries, made some changes to DB schema
 - Heman has some queries in progress
- Frontend
 - Christian, Catherine will have work by Monday (Christian working on borrowing history, Catherine will do profile page)

Things discussed today and for next time:

- 2 open PRs
 - Billy fixed issue w/ PR 12, Christian will review + merge
 - Catherine needs to make navbar buttons work (clicking + hovering functionality)
 - Miranda will review PR 11
- Backend:
 - Kellie will have her first 2 queries done by next Thursday
 - Heman will keep working on queries
 - Billy will pick some more queries to write
